DJ R3:tro

DJ R3:TRO (retro) hails from Cincinnati, Ohio. From an early age, he knew he wanted to do something in the music industry.

At family gatherings, he would be in his uncles' bedrooms blasting their stereos and watching the LED lights bounce up and down. R3:TRO has written contracts to help start a record label; served as an A&R for iStream Records (Atlanta, GA); held a radio spot on Wednesday afternoons for 2 years on AUMA Radio (Atlanta, GA), and been on HEAT DJs Radio for 2 years. DJ R3:TRO also has a couple of albums on record at the United States Copyright Office. Nelson Love aka DJ R3:TRO is a huge fan of networking. You never know where your NAME might come up, so it is good to nurture relationships and get out there and meet other industry professionals, to see what "they got going on". That's how he's kept the opportunities coming!
